FULL STACK DEVELOPER

business.zubayr@gmail.com

Cape Town

[VIEW DEVELOPER](#)
[PORTFOLIO](#)

Full-stack developer with a solid foundation in software engineering and business operations.

Currently based in Cape Town, I work at O'Brien Financial while pursuing a BCom in Information Systems.

I also freelance with Zar Media Group, contributing to both app and web development projects.

I bring a balanced perspective of technical expertise and business insight to build efficient, user-focused solutions. Passionate about problem-solving, continuous learning, and delivering meaningful results.
